

# Triviafy Tableau Quiz

Your Company Name

your-teams-trivia-slack-channel

## Quiz 1

Due: 4 PM, Wed, 2099-12-31

[See Rules](#)

Q1: Data Types (Medium)

Categories: **Tableau**

----- data is highlighted in blue color, while ----- data is highlighted in green color.

The screenshot shows the Tableau interface. In the 'Columns' shelf, there is a calculated field 'Data =' with the value 'blue' and a dimension 'Category' with the value 'SUM(Sales)'. Arrows point from the 'Data =' field to the 'Category' field and from the 'SUM(Sales)' field to the 'Data =' field. The 'Data =' field is highlighted in blue, and the 'SUM(Sales)' field is highlighted in green. The interface also shows a 'Filters' shelf and a 'Sheet 2' tab.

Hint: Answer in two words only

To Answer Quiz Questions: Create Account > Add To Slack > Select your team's Slack channel.

## Q2: Max Tables (Medium)

Categories: **Tableau**

How many maximum tables can you join in Tableau?

To Answer Quiz Questions: Create Account > Add To Slack > Select your team's Slack channel.
